

JunkRabbit is New York's **most responsive, tech-driven** junk removal and site-cleanout company. We do the labor, hauling, and disposal so your team doesn't have to — fast quotes, flat all-in pricing, and a real point of contact who picks up. Licensed & insured, COI provided on request.

CORE SERVICES

- **Full-site cleanouts** — fixtures, build-outs & debris
- **Furniture & bulk removal** — single pieces to full loads
- **Construction & renovation debris** removal
- **Estate & apartment cleanouts**
- **Commercial, office & property-management turnover**

SERVICE AREA

- All five **NYC boroughs** — Manhattan, Brooklyn, Queens, Bronx, Staten Island
- **Westchester & Rockland** counties
- **Hoboken, Jersey City** & surrounding NJ

CREDENTIALS

Licensed & insured COI provided on request

5.0★ on Google Eco-friendly — donation & recycling routing

WHY JUNKRABBIT

- **Most responsive vendor you'll work with**
Fast replies and a dedicated point of contact — not a call center. Built for tight, shifting schedules.
- **Tech-driven quoting**
Send photos or a short walkthrough video; we turn it into a clear quote quickly — no slow on-site estimates.
- **Flat, all-in pricing**
One number that covers labor, hauling & disposal. Budget-ready, no surprise add-ons.
- **Full-service crews**
We carry it out — from the unit, basement, or floor. Your team doesn't lift a thing.

CAPACITY & AVAILABILITY

- **Scalable to any volume**
From a single pickup to large, multi-truck, multi-day clear-outs — we add crews and trucks to match the job and run as many trips as it takes. No job too big.
- **Fast turnaround**
Same-day on standard jobs; larger commercial projects scheduled within ~48 hours.
- **Recurring & multi-site**
We commit to set schedules for property managers, offices, and ongoing accounts.
